## **Welcome**

We welcome you to Glen Ayr for your wedding.

The service may be made flexible to include your needs within the legal constraints of the province. We want to help you make this a joyful, worshipful, and memorable occasion.

### **COST: The total fee for a wedding is: \$625**

This includes: planning materials, interview, rehearsal, ceremony, Minister, Organist, church decorating & clean up, and the use of the church.

A non-refundable deposit of \$175 is required to reserve the date and time of your wedding and is included in your total wedding fee.

The remainder of the fee, \$450, is due two weeks before the wedding. Payment is made to the secretary in cash.

**Additional costs** (not included): If you wish to add a soloist or another musician, their fees will be in addition to the \$625.

### **General Information:**

Upon deciding to have your wedding at Glen Ayr, kindly fill in the Marriage Information Form and return it, along with the deposit cheque made payable to: Glen Ayr United Church. If all the information has not been finalized or you are unsure about how to answer, don't worry. The form can be completed at the time of the interview with the Minister.

Be sure to confirm your wedding date and time with the church administrator before having your invitations printed.

### **Marriage Licence**

You may obtain your Marriage Licence up to three months before your wedding date.

### **Interview**

You will meet with the minister once before the wedding. Please call the church office to arrange an interview.

### **Pre-Marriage Classes**

Courses are recommended, but are not compulsory. If you wish to register for a pre-marital course, there are several available to you.

The Joy of Marriage offers Pre-marriage seminars at various times and locations throughout the year. Call Sherrill or Gary Pennington, 905-472-0614.

Humancare, 905-841-3173, offers courses at various locations throughout Toronto.

You may register on the internet at

<http://www.MarriagePrep.com>

### **Photographs**

NO FLASH PHOTOS may be taken during the actual wedding ceremony. Pictures may be posed following the service (Benediction). Please make these conditions clear to your photographer and your guests.

### **Video Cameras**

A stationary video camera may be placed on a tripod on the chancel to tape the service. No lighting equipment please.

### **Flowers & Bows**

If you are having fresh or silk flowers for your service, they may be delivered **one hour** before the ceremony. Glen Ayr has some silk arrangements that you may use. We also have pew bows.

### **Confetti**

The throwing of confetti is not permitted inside the church, or on the church walkways. Kindly use the lawn for confetti. As an alternative to rice (which can harm our feathered friends), try birdseed wrapped in netting. Your guests can still have the pleasure of showering you in their best wishes in a way that is environmentally friendly with no mess (the birds will take care of that!).

### **Rehearsals**

Rehearsal day and time are arranged with the minister at the time of your interview.

### **Parking**

Our parking lot is located at the back of the church, off Neapolitan Dr. Parking on Neapolitan Dr. and Brimorton Dr. is also permitted. In addition, there is a paved parking lot at St. Andrew's Public School on Brimorton, directly across from the church.
